

A. Vypočítej.

$$\begin{array}{r} 1 + 1 + 2 = \boxed{} \\ \hline 3 + 2 + 1 = \boxed{} \\ \hline 2 + 1 + 2 + 1 = \boxed{} \\ \hline 2 + 2 + 2 = \boxed{} \\ \hline 1 + 3 + 4 = \boxed{} \\ \hline 2 + 1 + 4 + 3 = \boxed{} \end{array}$$

B. Doplň výpočet.

$$\begin{array}{r} 1 + \boxed{} + 2 = 7 \\ \hline 3 + 2 + \boxed{} = 6 \\ \hline \boxed{} + 2 + 2 = 8 \\ \hline 1 + 1 + 1 + \boxed{} = 10 \\ \hline \boxed{} + 1 + 2 = 4 \\ \hline 2 + 1 + \boxed{} + 3 = 9 \end{array}$$
